CELEBRATING 2023 PARENTING WEEK 16TH -20TH OCTOBER

During this week we will be recognising and celebrating all those in a parenting role. The aim is to inspire a sense of pride and empowerment among parents, reminding them of the crucial role they play in shaping the next generation

"The Positivity of Parenting" is about acknowledging the positive impact parents have on their children's

This year's theme is 'The Positivity of Parenting'

lives, fostering love, support, and growth.

It encourages parents to celebrate the strengths, resilience and dedication of parents, as the backbone of families and communities.

The theme acknowledges that while parenting can be challenging, it also emphasises the joy, fulfilment, and meaningful experiences that come with raising a child.
