Dear Parent

We are planning to hold

## Primary 1 Open Visits on the week beginning 4 Dec 2023.

During the week parents will be able to book a time during the normal 9am-3pm school day to visit the school and see the children and our facilities in as normal a way as possible to get a feel for what our school offers your child. You will be able to book your slot online or by telephoning the school from mid-November. Further details about the events will be sent to you closer to the time.

***We will also be putting together a series of short videos and an Online Digital Prospectus which will give you a flavour of life at Downpatrick Primary School and the tremendous experiences we can offer your child. These will be available on our website and through our Facebook, Instagram and Twitter pages from early December.***

We are up-dating our records for next year, 2024-25, as we wish to have a projection of our numbers in next year's Primary One class. **If you have a child whose date of birth falls between 2 July 2019 and 1 July 2020 inclusive and you wish us to consider them for Primary One in September 2024 then please write their details below.**

Completion of this form does not constitute a formal application for a Primary 1 place. The online process begins in early January 2024.

**Please return the form below to your child's teacher by Friday 27 October.**

*If you have already received this letter and returned the slip through an older child already at our school then please ignore this letter.*

**Or you can email the school your child's details at: [nstevenson717@c2kni.net](mailto:nstevenson717@c2kni.net)**

Many thanks

Niall Stevenson, Principal
